Family Service &  
Mental Health Center  
and the

## SHARE Program

*We provide counseling, mental health, substance abuse and social support services that strengthen individuals, families and communities.*

Leyden Family Service and Mental Health Center provides a range of counseling, treatment and preventative care services for adults, adolescents, senior citizens, children and families. This includes treatment programs for those struggling with substance abuse, gambling addiction and other mental health problems. We specialize in offering professional help within a non-judgmental setting while supporting each individual's right to confidentiality. Whether seeking help for yourself, a loved one, close friend, employee or coworker, you will find at Leyden a dedicated staff committed to helping patients achieve their maximum level of independence, productivity and quality of life.
